

# HUNTER DISTRICT CYCLING CLUB STATE GRADES SEPTEMBER 2017

Please see 2017 NSW Road Handicapping Policy here:

<http://nsw.cycling.org.au/News/All-News/2017-nsw-road-handicapping-policy>

Riders are to be graded into 10 bunches as if competing in the State Handicap Benchmark Event which is the Coonabarabran-Gunnedah Handicap - 100km long with 800+ meters climbing.

Those bunches are:

Bunch 1 = (Scratch Bunch) A1 (reserved for professional riders), A2 & A3

Bunch 2 = (Chopping Block) B1 or B2

Bunch 3 = B3 or C1

Bunch 4 = C2 or C3

Bunch 5 = D1 or D2

Bunch 6 = D3 or F1

Bunch 7 = E2 or E3

Bunch 8 = F1 or F2

Bunch 9 = F3 or G1

Bunch 10 = (Limit) G2 or G3

REAL WORLD APPLICATION (State Opens, Graded Scratch races):

State Grading is in a constant state of flux because it's an ongoing comparative assessment of rider ability.

It's important to note that although riders are invited to nominate a Division when entering races, final race Divisional allocations depend on the numbers of riders entering a particular race as well as where those individual riders sit on the grading spectrum.

For example, if a race attracts a lot of riders graded at A1 / A2 / A3, riders graded at B2 or B3 might find themselves in Division 2.

Similarly, if a race doesn't attract many riders graded at A1 / A2 / A3, riders graded at B3 or C1 or C2 might find themselves in Division 1.

That's just the nature of things for these types of events.

Records kept for a number of years now indicate the above codes tend to sit in the following Divisions:

Mens Racing:

Division 1 = those who are regularly off the front of A Grade. Codes (maybe) A1 – B3

Division 2 = solid club A Grade. Codes (maybe) B3 – D1/D2

Division 3 = solid club B Grade + those in club A Grade in Masters categories. Codes (maybe) D1/D2 – E2

Division 4 = solid club C Grade + those in club B Grade in Masters categories. Codes (maybe) E2 -

#### Womens Racing:

Grading interpretation changes as the popularity of Womens racing increases along with the numbers of women participating.

The current thinking is this:

Womens Division 1 = F2 +

Womens Division 2 = F1 - G3

Please also note the following:

D1 = ladies who can ride professionally

D3 = ladies who can ride in the NRS

F2 = elite women / lowest Div 1 grading

F1 = the cut off for Div 2 / top of Div 2

#### Womens Racing:

Grading interpretation changes as the popularity of Womens racing increases along with the numbers of women participating.

The current thinking is this:

Womens Division 1 = F2 +

Womens Division 2 = F1 - G3

Please also note the following:

D1 = ladies who can ride professionally

D3 = ladies who can ride in the NRS

F2 = elite women / lowest Div 1 grading

F1 = the cut off for Div 2 / top of Div 2

#### State Track Grading:

Introduced in 2017, 5 Divisions.

Division 1 = T1 - T4

Division 2 = T5 - T8

Division 3 = T9 - T12

Division 4 = T13 - T16

Division 5 = T17 - T21
